Declaration of Conformity - REACH

We confirm that we have taken into account the requirements of **REACH regulation no. 1907/2006/EC**.

We certify that SBG Systems does not import or manufacture any substance requiring registration or the compilation of safety data sheets. As a manufacturer of articles, we have "Downstream User" status.

As a downstream user, we have taken action with our suppliers and subcontractors to ensure that they have taken the necessary steps concerning the substances present in the articles we supply and which are included in the articles we supply to you.

SBG Systems hereby informs you that all our potentially impacted suppliers have certified their compliance with **REACH regulation n°1907/2006/CE**.

According to the information available to us to date, all our potentially impacted suppliers have certified their compliance with **REACH regulation n°1907/2006/CE**. They certify that they have done everything in their power to monitor the evolution of the list of candidate substances of very high concern (SVHC) to ensure that the products used do not exceed a concentration of 0.1% by mass.

SBG Systems is committed to alerting you if any of the substances on the list, and in particular the SVHC list, have an impact on the products we supply.

We remain at your disposal. Please accept, Madam, Sir, our best regards.

Best regards,

Lamia Daoud
