This notice is to inform you about a Navsight commercial offer update.

1. Description of change

SBG Systems announces a change in Navsight series offer. Navsight-S solutions without RTK software option will not be sold anymore, and it will be fully replaced by Navsight-S solution with RTK option.

2. Impact of change

Navsight-S solution with RTK software option is fully Fit, Form and Functional compatible with Navsight-S solution without RTK software option, and there is no change in Hardware revision.

There is no change regarding Navsight-T solutions, both versions with or without RTK are still commercialized.

3. New commercial offer

Please contact your sales representative for more information about new pricing. The following table lists the equivalences between previous and new product name:
